To Whom It May Concern:

I write this letter in recommendation of Copper State Fire Protection. I had the pleasure of working with Copper State Fire when we upgraded our fire alarm systems and performed our annual fire alarm testing. I recommend this contractor highly and without reservation.

Throughout the course of the contracts with Copper State Fire, staff demonstrated thorough industry knowledge and professionalism. Copper State Fire presented a very detailed assessment and bid for the contracts and their record keeping and invoices were clear and concise. Copper State Fire also selected and managed the sub-contractors very well. The contracts awarded to Copper State Fire were completed with precision and quality.

I welcome any additional inquiries to support my recommendation of Copper State Fire.

Sincerely,

A handwritten signature in cursive script that reads "Tammy Coffield".
