Subject to Provisions of City Ordinances

Dear Business Owner:

The business registration for the City of Auburn is issued according to Auburn City Ordinances. The business registration terminates with the sale or transfer of any business. A new owner intending to continue operation of the business must contact the City of Auburn. Please advise the City of Auburn Permit Center of any changes in the type of business being conducted at your location, or any storage of hazardous materials not initially reviewed by the Valley Regional Fire Authority. The City of Auburn business registration is renewable every year on December 31. You will be notified of your business renewal the beginning of December. Collection and disposal of all solid waste is universal and compulsory by the City of Auburn or its agent.

If you have any questions regarding your business registration, please do not hesitate to call the City of Auburn Permit Center at 253-931-3090.
