

Verify Workers' Comp Premium Status: Account Information

Did you know ...

...that under Washington State law*, you may be liable for the unpaid workers' compensation (industrial insurance) premiums of any business you hire or contract with? (*See [RCW 51.12.070](#))

In the construction industry, you can protect yourself from liability for your subcontractor's unpaid premiums. [Click here to see what you have to do.](#)

L&I will track a contractor for you and tell you if their status changes.

If this is a contractor whose premiums and license are current, a "**Submit Contractor Tracking Request**" link will appear in the certificate below. **Click it to fill out a Tracking Request.** If the contractor fails to pay workers' comp premiums or renew their contractor registration or if their electrical contractor license is suspended or revoked within one year of the start-date on your tracking request, L&I will send you a notification letter.

What does "Estimated Workers Reported" mean?

Estimated workers reported represents the number of full time position requiring at least 480 hours of work per calendar quarter. A single 480 hour position may be filled by one person, or several part time workers.

Industrial Insurance Information

Employers report and pay premiums each quarter based on hours of employee work already performed, and are liable for premiums found later to be due. Industrial insurance accounts **have no** policy periods, cancellation dates, limitations of coverage or waiver of subrogation (See [RCW 51.12.050](#) and [51.16.190](#)).
